

STATEMENT OF AUTHORIZATION, CERTIFICATION AND EXPERIENCE

This statement confirms that **ICY GETEC OÜ**, operating under the brand name **Passiivsoojustus**, is an **authorized, certified and licensed installer of spray-applied insulation systems manufactured by Huntsman Building Solutions.**

ICY GETEC OÜ has extensive experience in the field of spray-applied insulation. Since the beginning of its operations in **2013**, the company has specialized in the installation of **ICYNENE insulation systems**, which are now part of **Huntsman Building Solutions.**

The company's long-standing experience with ICYNENE technology, together with its extensive practical knowledge gained through numerous completed projects, demonstrates the high level of competence and professionalism of **ICY GETEC OÜ** in the field of spray-applied insulation.

ICY GETEC OÜ carries out its work in accordance with the manufacturer's technical requirements and installation standards, using certified Huntsman Building Solutions systems and materials and following the applicable technical specifications and procedures.

We further confirm that **work performed by ICY GETEC OÜ using Huntsman Building Solutions systems is covered by a 25-year manufacturer's warranty**, subject to the terms, conditions and requirements applicable to the relevant insulation system.

ICY GETEC OÜ / Passiivsoojustus is therefore an experienced and trustworthy professional contractor with many years of expertise in spray-applied insulation and extensive experience working with ICYNENE technologies, which today form part of the Huntsman Building Solutions portfolio.

This statement is issued to confirm the company's **professional qualifications, experience and status as an authorized installer of Huntsman Building Solutions spray-applied insulation systems.**
